

Banking on Our Future

Become a volunteer!

Why Financial Literacy?

LACK OF EARLY EDUCATION

60% of pre-teens don't know the difference between cash, credit cards, and checks

YOUNG PEOPLE IN DEBT

Over 20% of college grads have credit card debt of \$3,000-\$7,000

UNBANKED COMMUNITIES

Individuals who do not use traditional financial institutions will spend \$40,000 in a lifetime cashing checks and purchasing money orders

-Jump\$tart and the Family Financial Literacy Project, 2008

The Banking on Our Future Program

Volunteers are given specialized training to teach 4th through 12th grade students. Our award-winning curriculum includes five modules:

- 1) **A Course in Dignity**
- 2) **The Basics of Budgeting**
- 3) **Get Smart About Banking**
- 4) **Fundamentals of Credit**
- 5) **Introduction to Saving and Investing**

Operation HOPE coordinates every detail of the program! Volunteers simply choose the time that best fits their schedule.

Students are taught this vital information and are left with a powerful message of hope and the tools to successfully manage their future.

Get Involved!
