“Teaching locally while reaching globally to sustain economic development”

## About eEnterprises Intl LLC

eEnterprises International LLC was established on May 31, 2013 by Founder, CEO, and Chairman Lizzie L. Evans. Working with youth from all over the world, eEnterprises wish to instill and inspire a new, more positive, inclusive and interconnected value proposition for youth as they enter adulthood. eEnterprises' mission is to connect space for youth community programs, entrepreneurship training, and internship kiosks that promote His Excellency in designing the interior of a business.
