“Turning the Page to the Next Generation”

The FSC-PS Charitable Foundation is an entity formed for the purpose of providing scholarships to active college students from under-represented communities. The Foundation is now soliciting sponsors in an effort to collect donations that will be returned to the community in the form of a scholarship(s) award for deserving students.

Additionally, this scholarship is made possible through generous contributions from UFSC-PS Chapter members, UFSC strategic relations, family, colleagues, and friends. The FSC-PS Charitable Foundation would like to continue this scholarship program. We are requesting from you, one of our most dedicated supporters, a contribution to the any of the scholarship funds listed below.
