

Washington State Employee Credit Union is facilitating a Financial Reality Fair for the Middle College High School students and we're looking for volunteers to give us a hand.

What is a Financial Reality Fair, you ask? It's an educational, interactive simulation event for high school students. Students are given scenarios that place them in the future after completion of a form of secondary education. The simulation gives students an opportunity to experience what life looks like on their own, with financial responsibilities.

Your role as a volunteer will be to assist the students through the simulation at various stations. These valuable events are dependent on participation from our Community Partners like you. With your participation, we are able to offer high schools this valuable experience at no cost. We will be facilitating two sessions - 10:00 to 11:30 am.

UFSC Financial Services Resource Fair begins at 12:30 -1:30 in the Northgate MCHS South Classroom. NEFE Module 6 Insurance: Protect What You Have Handout at the Mosaic Insurance Booth. Visit Go Pluto, Sound Community Bank, WSECU, MassMutual, Microsoft and KeyBank.

What to bring: Business cards, life experience and a smile! Refreshments provided by WSECU.

To sign up as a volunteer, please contact me. *If you are not able to attend, but know someone that you think would be interested in volunteering, please let me know. Check in at 9:30 am for a brief training.*

Thank you for helping us **Make a Difference** in our communities. If you have any questions, please don't hesitate to contact Karen Childs, CUDE. Community Relations Coordinator, WSECU *Community Relations* or email kchilds@wsecu.org or call her mobile at: (360) 790-8443.
